栗阳带领团队为首都百姓提供小程序预约上门回收服务，减排二氧化碳235吨。

Li Yang led the team to provide small program appointment door-to-door recycling services for the people in the capital, reducing 235 tonnes of carbon dioxide.

栗阳，2020年百名最美生态环保志愿者，“绿色当铺”小程序创始人，推广垃圾分类近11年，引导10万余户居民源头垃圾分类。

Under the leadership of Li Yang, - the founder of the "green pawnshop" app - one hundred ecological and environmental protection volunteers have promoted waste classification for nearly 11 years and guided more than 100000 households to classify waste at the source. The app allows users to book appointments for waste collection in exchange for credits. Credits can then be used in exchange for household commodities.
